NOTES :

- The above results were reviewed by the Audit Committee in its meeting held on 15th May 2015 and approved by Board of Directors in its meeting held on 16th May 2015.
- The Board of Directors of Company has recommended payment of final dividend for FY15 to the equity shareholders @ Re 1/- per shares (Previous year Rs. 2.50 per share including interim dividend of Rs 1.50 per shares).
- The Company has received final approval from Ministry of Environment & Forest for 32.36 hectare for Iron Ore mining at Ari Dongri, which is adjacent to the company's existing Ari Dongri Iron Ore Mines. The mining department of state govt. has permitted execution of mining lease and the lease deed has since been executed by the District collector. The mining activity in the enhanced area is expected to be started in couple of months.
- The mining department has levied royalty on Iron Ore mining on the basis of rates applicable for the highest grades of Iron Ore. The Company has, however provided royalty on the basis of rates applicable to different grades of Iron Ore produced and dispatched. Pursuant to a writ petition filed by the company, the honorable high court of Chhattisgarh has upheld the company's contention of charging royalty and directed mining department to make fresh assessment of royalty payable. However the mining department has filed review appeal before the double bench of honorable high court of Chhattisgarh against the order. After assessment by mining department, cumulative amount of excess royalty of Rs. 44.05 Crores as on 31.03.15 (Rs. 42.04 Crores as on 31.03.14) is shown as advance royalty and carried to Balance Sheet.
- The Company was allotted three Coal Blocks i.e. Nakia, Madanpur (North) & Madanpur (South) in the State of Chhattisgarh in consortium with other companies through JV Company, namely Chhattisgarh Captive Coal Mining Ltd. However, the said Coal Blocks could not start operations in view of pendency of certain administrative approvals and these Coal Blocks were de-allocated by the Ministry of Coal, which was, however, stayed by the Hon'ble High Court of Delhi and the matter has been sub-judice. The allocation of said Coal Blocks stands cancelled by virtue of the Order dated September 24, 2014 passed by the Hon'ble Supreme Court. The Company has invested Rs 6.31 crores in the equity capital of JV Company which has been utilised by JV Company for development of said coal blocks. No provision for impairment in value of Investments in JV Company has been made in view of likely realization of amount invested upon reimbursement of cost incurred by the Company from the future allocates of the said coal blocks. The JV Company is also in process of realization of current assets held by it and the amount is expected to be refunded to the shareholders in due course. Accordingly the provision for impairment in value of investment, if any, shall be made as and when the amount of actual loss is determined.
- Pursuant to option granted by Clause 46A of AS11, the company, during the year, has added Rs.15.83 crores (previous year Rs. 35.83 Crores) to the cost of assets being the exchange difference on long term foreign currency loans relating to acquisition of assets. This amount will be depreciated over the balance life of the assets. The forex loss of Rs.0.89 crores (previous year Rs. 3.57 crores) on items relating to operating expenditure has been charged to revenue.
- Effective from 1st April 2014 Company has charged depreciation on the remaining useful life of Fixed Assets based on Schedule II of Companies Act 2013. Consequently, the depreciation for the year ended 31.03.15 is lower to the extent of Rs.20.90 crores. Further, an amount of Rs.2.35 crores (net of taxes) representing the carrying amount of the assets with revised useful life as NIL, has been charges to the operating reserves as on 1st April 2014 pursuant to the transitional provision of Schedule II of the Act.
- The figures for the quarter ended 31.03.15 & 31.03.14 are the balancing figures between audited figures in respect of full financial year and the published year to date figures up to third quarter of the financial year 14-15.
- Ratios have been computed as follows:
 - Debt Equity Ratio : Term Loans and Debenture/Shareholders Fund
 - DSCR = Earning before interest and depreciation but after tax / (interest on term loans & debentures + principal repayment of term loans and debentures).
 - ISCR = Earning before interest, depreciation & tax / interest expenses.
- The previous year/period has been re-grouped/re-arranged wherever found necessary.
