Dear Sirs/Madam,

**Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Mining Operations at Ari Dongri Mines.**

This has reference to our earlier intimation dated 16.03.2023 vide which we have informed that an overburden dump at Company's Ari Dongri Iron Ore Mines has collapsed partially and the same has resulted into partial impact on the iron ore mining operations at the said mines.

In this regard, we would like to further inform you that the company is in the process of restoring the overburden dump of Ari Dongri Iron Mines. The company is also taking necessary measures for stabilization of dump to avoid repetition of such collapse in future.

We would also like to inform you that the mining operations & volumes are gradually improving, and the Company is expected to reach normal volumes by the end of the current month. Hence the financial impact due to the partial collapse of the overburden dump is likely to be immaterial, as the company was carrying inventory mined material.

The above information may please be disseminated for information of investors. The aforesaid information is also being hosted on the website of the company viz., [www.godawaripowerispat.com](http://www.godawaripowerispat.com).

Thanking you,  
Yours faithfully,
